REVISTA DE BORDO DA  INFLIGHT MAGAZINE • SÉRIE II • N° 39 • 2007

An aerial photograph of Beira, Mozambique, showing the city's dense urban sprawl along the Shire River. The city features a mix of modern high-rise buildings and traditional low-rise structures. The riverbank is lined with industrial facilities and port infrastructure, including several large ships docked at the port. The surrounding landscape includes green fields and some hills in the distance.
